

ACCOUNTING - PROFESSIONAL YEAR PROGRAM

On average, Australian companies receive over 200 CV's for every position that is advertised* – so how do you stand out from the crowd?

Navitas Professional prepares you for the workplace from theory to practice and gets you standing out to Australian employers.

Learn professional development skills such as goal setting, career planning, job searching and business communication, to more industry-relevant technical skills from accounting software to financial decision making. Get ready to grab your dream opportunity.

Navitas Professional gave me the skills and confidence to gain employment through my host company and the industry insight to succeed well into the future.
