

# CAREER EXPERIENCE PROGRAM

## Get fit for your future career

Strengthen your employment prospects and understanding of the Australian job market with our nationally recognised Career Experience Program.

Our program includes six interactive facilitator led online workshops and a 12 week work placement internship to help individuals build their skills and preparedness for the workplace.

Learn self-management skills to ensure every work experience produces high value lessons that will contribute to an abundance of opportunity.

“

Because of my placement supervisor, I learned important skills in effective listening and building rapport with co-workers and customers – essential skills for the real world.
