

Career Experience Program

Strengthen your employment prospects and understanding of the Australian job market with our Career Experience Program.

Through six face-to-face workshops and a practical internship within your field of study, this program will improve your soft skills, enhance your CV and show you how to navigate the workplace successfully.

Continue your professional development outside of the classroom with exclusive access to Lynda.com; the online training platform of over 5,000 courses, to enhance the employability skills you need in your field of study.

Navitas Professional is the only national provider that delivers the Career Experience Program in Adelaide, Brisbane, Darwin, Hobart, Melbourne, Perth and Sydney.
